## MEMBER-ELECT (NOMINEE) AGREEMENT

I attest to the accuracy of the information on the application.

Members of the TTCS are expected to pay their dues at the anniversary of their acceptance to join TTCS. Members of the TTCS agree and acknowledge that the TTCS is the official national organisation that represents the views and advocates on behalf of its members in the chemical sciences (in Trinidad and Tobago) to external learned societies, including but not limited to the Royal Society of Chemistry, American Chemical Society, Canadian Chemical Society and Commonwealth Chemistry. This rule does not preclude student organisations from advocating on their own behalf to external bodies, nor any other organisation from using resources of external bodies in any way they deem fit.
